

## Project #

### Issue Categories

- 1 - Understanding an error (i.e. do not understand "EOF error" or why it is happening)
- 2 - Locating an error (i.e. do not know where the error is happening in the code)
- 3 - Testing an error (i.e. do not know how to write a test to cover specific code block)
- 4 - Fixing an error (i.e. do not know how to fix "EOF error")
- 5 - Autograder Feedback (i.e. do not understand what autograder feedback means)
- 6 - Other

Issue Category	Issue Description	Previous Attempts	Solved by Myself	Asked Question to Instructor
2	Index error somewhere in the stack but I'm not sure where	<ul style="list-style-type: none"><li>• Tried to make stack larger but did not fix problem</li><li>• Added print statements in places to find bug</li></ul>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3	Conn components would not run multiple times	<ul style="list-style-type: none"><li>• Print statements</li><li>• Turned all vertex to not visited after</li></ul>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
		<ul style="list-style-type: none"><li>• </li></ul>	<input type="checkbox"/>	<input type="checkbox"/>
		<ul style="list-style-type: none"><li>• </li></ul>	<input type="checkbox"/>	<input type="checkbox"/>
		<ul style="list-style-type: none"><li>• </li></ul>	<input type="checkbox"/>	<input type="checkbox"/>
		<ul style="list-style-type: none"><li>• </li></ul>	<input type="checkbox"/>	<input type="checkbox"/>
